Housekeeping

Our thanks to those members who help make Taupo Tennis Club a great club. A few small housekeeping reminders for us all to take note of: If you

- Spill something, wipe it up.
- Use a cup or glass outside of organised club days – wash it and put it away.
- Are last out of the clubrooms, check all doors are locked, the windows are shut (including all the toilets) and gate is shut behind you.
- Leave the clubrooms and deck area tidy. Put chairs back under the tables/ stack the plastic chairs together on the deck outside.
- If something is broken or needs replacing: Tell a committee member, don't assume someone already has
- Put all rubbish in the bins provided.

If we all take the time to do these little things, it makes it better for everyone.
