Newsletter April 2024

Welcome to our new members.

Club Rooms: We are sorry to have to raise this point again. If you are the last person out and shutting the door, please take the time to **CHECK** that the doors and windows are closed properly. Twice in the last two weeks, doors have been left open (including on one occasion the door to Redoubt Street).

Court Bookings: Now that daylight saving has ended if you want to play after 5pm, you must book a court. The automated lights rely on court bookings to activate. **No booking / no play.**

Tournaments: The club ran a number of tournaments over March / April.

Senior & Junior Club Championships. These were very well supported in all divisions. Congratulations to all the winners.

BOP Regional Championships: This year it was our turn to host both the Senior and Junior Regional Championships, and we did ourselves proud. Club members received many positive comments re the clubrooms and the running of the tournaments. Congratulations to the winners Justin Megraw and Dev Dowland and thanks to our club members who played, supported and volunteered during the day.

Upcoming events:

AGM: Wednesday 24th July 2024 at 6pm

Lakecrest Taupo Masters Tournament: 28th & 29th September 2024. Entries open in May.

2024 100 year Centenary Celebrations: Early October 2024

Lost Property: There are a number of items that have left in the club after tournaments and club days. These are in the bin under the window. Any unclaimed items at the end of May 2024 will be donated to the Taupo Hospice.
