

Newsletter December 2025

From the President and Committee, Taupō Tennis Club.

Tuesday, Thursday and Saturday club tennis will continue throughout December and January.
The ball machine and balls will be in the clubrooms and available to club members to use over summer. The club are intending to submit a grant for funds to purchase a new modern machine.

Constitution: TBOP have held ratified their new constitution and this has been lodged with the Incorporated Society. Ross and Jane are now marrying up our constitution to the TBOP. We will have the draft out to members February 2026.

Club Championships: The committee apologise for the late notification of our Club Championship dates. We are waiting for TBOP to set their dates to ensure there are no clashes. Once we have received these, we will put out the Taupō Tennis dates. Watch this space.

Clubrooms: Our thanks to Laurie Laurenson for his work in keeping the clubrooms clean. This role has now been on-passed to Wendy Hiha. Thank you, Wendy. Please assist Wendy by cleaning up any spills / messes as they occur.

Recycling and wheelie rubbish bin. These are put out on a Thursday and emptied early Friday morning. If you are in town or down at the club, please consider bringing the bins inside the fence. If left out, the public treat them as general rubbish bins

Achievements: Klay Rosal recently played at the 14U Tennis Nationals. He won two out of his five matches, losing a close one in a super tie-break. Overall Klay finished 20th out of the 32 players. Well done, Klay, a great result.

Bottle-O Business House: Our thanks to Bottle-O for their continued sponsorship of our business house competition. We didn't quite get the pre-Christmas competition completed due to weather, so will finish this round in January, before starting the new competition. There are spots available for both 'A' and 'B' grade in the new competition, so please email Janice to enter a team (clanlaurenson@gmail.com).

AVIS Shield: The weekly AVIS Wednesday evening shield competition was completed on Wednesday night. This was a very successful evening with lots of tennis, pizza, drinks and prize giving. 32 players plus several reserves have taken part over the last 10 weeks in this graded singles and doubles competition. The doubles competition saw players play with a different partner for three weeks, then, based on their results, go up or down a grade. This ensured some very close and exciting finals on Wednesday. Top effort to Bett for her competitiveness in Section 1 against our top men. Bett, more than held her own against these players. Winners for this round are:

Singles

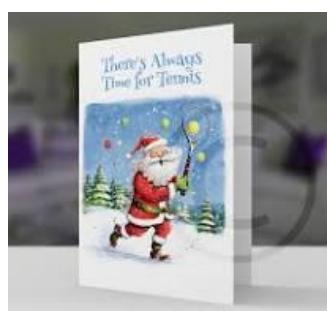

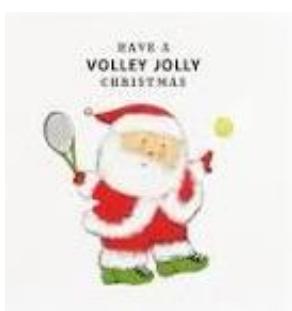

Top singles player	Tyler Stevens	Runner up	Andy Mellor
