

Newsletter June 2026

Welcome to our new members.

Wednesday club night is back and open to all club members. Starting at 5.30pm to around 7pm. Come along and have a hit, its cold but usually clear. To make it easier and because we don't want people standing around getting cold it would be great if you could drop a text to Jane Arnott letting her know you are coming down (by midday Wednesday would be good). Jane will coordinate numbers to ensure that no one is waiting for a game. Jane's mobile is 0274715785. Have fun.

As well as Wednesday nights, there is also.

- **Midweek:** Tuesday and Thursday mornings 9–11am followed by morning tea. Open to all members. Games are organised by our computerised, Scoring Made Easy, system and graded on ability. Friends and Family welcome as guests, \$10 per person.
- **Shield (summer):** Played on a Wednesday evening, open to all club members.
- **Juniors (winter):** Monday afternoons 3.30 – 5.30pm. Please contact Justin Megraw, No 1 tennis. 02108355422
- **Coaching:** Adult and junior coaching available. Talk to Justin about the options.

Intra-club Masters Doubles (Men's and Women's) Tournament:

Women's Doubles
Rose Stevens/Wendy Hilhorst.

Played on a very, very windy and cold Tuesday morning this week. Big thanks to Gaby for suggesting this and for her hard work in the organisation (getting entries, entry money, prizes etc.).

Many thanks also to:

- Margaret for running the tournament.
- Those members who donated prizes.
- Everyone who helped on the day (kitchen, cleaning, writing up the board)

The winners on the day were:

Men's Doubles
Tony Redmond/Grant Carson

TBOP Closed Doubles Championships 2026.

This is open to all players. There is both a Championship and Social Division. Entry is free.

Date: Sunday, August 2nd. Location: Rotorua Tennis Club. Games will start at 9.30am

Our latest club initiative is:

PayWave. Our EFTPOS machine has been configured to enable contactless payments. Available for eftpos, debit and credit cards. To enable the club to provide this option, there will be a surcharge applied to any contactless payment.

Surprise, surprise. Something has gone missing!!!

Did anyone see a monkey around the club? Recently we realised the speakers that were mounted at each end of the club house have had their wires cut and been removed.

As everyone will know from these newsletters there have now been several items removed from the club house and surrounding courts / outside areas over the past two years. For this reason, the committee decided that it was time to speak with Taupō Police re this ongoing problem resulting in a complaint being filed. *The disappointing factor is, all the missing items were removed from either inside the locked clubhouse or the locked grounds. We leave you to draw your own conclusions.* Members, please be vigilant when at the courts or driving past.

Trestle Tables: Our 3 folding trestle tables are part of the missing items. We require three tables for the Masters Tournament in September. If anyone has a table they would be happy to lend to the club for the weekend or, would like to donate a table to the club. please liaise with Margaret or Ross. Thanks

Thursday 13th August at 5.30pm.

Have you thought about joining our committee. We are seeking new members for the 206/27 season and onwards. This is not an onerous role. If you are interested, please chat to Janice or Ross.

Our quote this month comes from Alexander Zverev, winner of the Men's Championship at the French Open. This is so true.
